*“[This workshop was]  
beyond my expectations.  
Our guide made us feel safe  
and the space of the studio was beautiful  
and comfortable. Definitely coming back!”  
— J.M.*

A shamanic journey is a deep, guided-imagery experience that leads you — while awake — to a state similar to dreaming. You may experience vivid imagery and deep transformational healing.

Renee Sanguinetti is a practitioner of earth-based healing, focused on multicultural, indigenous practices. She leads shamanic journeys and soul retrievals, and conducts dream work for individuals and groups. She is a Reiki master of the Usui lineage and a licensed psychotherapist.
